

BRITTANY SHANE CASSIDY

Department of Psychology • University of North Carolina at Greensboro
 296 Eberhart Bldg • PO Box 26170 • Greensboro, NC 27412
 www.uncgsocialcognition.com • bscassid@uncg.edu

EDUCATION

2014 Ph.D., Psychology, Brandeis University
 2010 M.A., Psychology, Brandeis University
 2007 B.A., Psychology, Boston University
Cum laude; Distinction in Psychology

ACADEMIC APPOINTMENTS

2018-present Assistant Professor
 Department of Psychology, University of North Carolina at Greensboro
 2014-2018 Postdoctoral Fellow
 Department of Psychological and Brain Sciences, Indiana University

EXTERNAL FUNDING

2019-2020 *Do age differences in associative learning and stimulus generalization lead to age differences in trust?*
 Scientific Research Network on Decision Neuroscience and Aging
 NIA R24 AG054355 (sub-award)
 Role: PI | Direct costs: \$30,000
 2016-2018 *Investigating connectivity-based mechanisms for age-related increased prejudice*
 NIA, Ruth L. Kirschstein NRSA Individual Postdoctoral Fellowship
 F32 AG051304
 Role: PI | Direct costs: \$133,455
 2010-2013 National Science Foundation Graduate Research Fellowship
 Direct costs: \$121,500
 2009-2010 *Brain-body-behavior interface in learning and development across the lifespan*
 NIGMS, Ruth L. Kirschstein NRSA Institutional Research Training Grant
 T32 GM084907
 Role: Predoctoral Trainee

INTERNAL FUNDING

2021 URSCO Undergraduate Research and Creativity Award (URCA)
 Faculty mentor to Shima Mohamed (\$1000 to S. M. | \$250 for research)
 2021 URSCO Undergraduate Research and Creativity Award (URCA)
 Faculty mentor to Grace Clark (\$1000 to G. C. | \$250 for research)
 2021 College of Arts and Sciences Diversity Mini-Grant (\$600)
 2021 URSCO Undergraduate Research and Creativity Award (URCA)
 Faculty mentor to Caraline Malloy (\$2000 to C. M. | \$500 for research)
 2021 Graduate School Faculty Grant Program for Providing More Inclusive Graduate

	Courses (\$500)
2020	URSCO Undergraduate Research and Creativity Award (URCA) Faculty mentor to Reginald Glenn (\$1000 to R. G.)
2019	URSCO Undergraduate Research and Creativity Award (URCA) Faculty mentor to Alexander McGlamery (\$1500 to A. M. \$500 for research)
2018, 2019	College of Arts and Sciences Scholars Travel Fund award (\$500 per award)
2018	College of Arts and Sciences Diversity Mini-Grant (\$500)

PUBLICATIONS (H-INDEX: 15)

(*MENTORED UNDERGRADUATE STUDENT; **MENTORED GRADUATE STUDENT; +EQUAL CONTRIBUTION)

1. Wahlheim, C. N., **Christensen, A. P., Reagh, Z. M., **Cassidy, B. S.** (in press). Intrinsic functional connectivity in the default mode network predicts mnemonic discrimination: A connectome-based modeling approach. *Hippocampus*.
2. **Cassidy, B. S.**, Wiley, R. W., Sim, M., Hugenberg, K. (in press). Inversion reduces sensitivity to complex emotions. *Social Cognition*.
3. **Cassidy, B. S.**, Wiley, R. W., Sim, M., Hugenberg, K. (in press). Spatial frequency and valence interact in complex emotion perception. *Cognition and Emotion*.
4. **Cassidy, B. S.** & **Liebenow, H. A. (in press). Feminine perceptions of Kamala Harris positively relate to evaluations of her candidacy. *Analyses of Social Issues and Public Policy*.
5. **Cassidy, B. S.**, Wiley, R. W., Sim, M., Hugenberg, K. (in press). Decoding complex emotions and humanization show related face processing effects. *Emotion*.

36. Yue, X., **Cassidy, B. S.**, Devaney, K. J., Holt, D. J., Tootell, R. B. H. (2011). Lower level stimulus features strongly influence responses in the fusiform face area. *Cerebral Cortex*, 21(1), 35-47.
37. Holt, D. J., Lebron-Milad, K., Milad, M. R., Rauch, S. L., Pitman, R. K., Orr, S. P., **Cassidy, B. S.**, Walsh, J. P., Goff, D. C. (2009). Extinction memory is impaired in schizophrenia. *Biological Psychiatry*, 65(6), 455-463.

WORKING MANUSCRIPTS

(*MENTORED UNDERGRADUATE STUDENT; **MENTORED GRADUATE STUDENT; +EQUAL CONTRIBUTION)

1. Crawford, J. L., Fields, E. C., Moore, I. L., Paige, L. E., Gutchess, A. H., **Cassidy, B. S.** (invited revision). Negative appearance-behavior cues elicit greater LPP response during impression formation.
2. **Liebenow, H. A., Boucher, K. L., **Cassidy, B. S.**, (under review). Gendered trait inferences and political ideology interact in evaluations of Kamala Harris.
3. ***Ojeda, J. T., Silvia, P. J., +**Cassidy, B. S.** (under review). Mental representations of illness positively relate to adaptive health behaviors.
4. +**Cassidy, B. S.**, +Hughes, C., Krendl, A. C. (under review). Characterizing group disclosure effects on first impressions of faces.
5. Seaman, K. L., **Christensen, A. P., *Senn, K. D., Cooper, J. A., **Cassidy, B. S.** (in preparation). Age differences in the social associative learning of trust information.
6. Rydell, R. J., Stanko, K. A., Krendl, A. C., **Cassidy, B. S.**, Young, S. G., Hugenberg, K. (in preparation). Configural processing affects motivation to regulate implicitly measured prejudice.

AWARDS AND HONORS

2019	Honoree, Faculty Excellence in Research and Creative Activity, <i>UNCG</i>
2018	Rising Star, <i>Association for Psychological Science</i>
2017	Summer School in Social Neuroscience and Neuroeconomics Fellowship, <i>Duke University</i>
2015, 2016, 2017	Provost's Travel Award for Women in Science, <i>Indiana University Bloomington</i>

2014	Finalist, Student Poster Award, <i>Society for Personality and Social Psychology</i>
2013	Dissertation Research Award, <i>American Psychological Association</i>
2013-2014	Renee Rapaporte Endowed Dissertation Year Fellowship, <i>Brandeis University</i>
2013	Summer Institute on Developmental Cognitive Neuroscience Fellowship, <i>University of Maryland Neuroimaging Center</i>
2013	Graduate Student Travel Award, <i>Society for Personality and Social Psychology</i>
2012	Summer Institute in Cognitive Neuroscience Fellowship, <i>NIMH</i>
2012	First Prize, Student Paper Award, <i>Massachusetts Gerontology Association</i>
2011	Graduate Student Association Research Grant, <i>Brandeis University</i>
2011	Outstanding Student Poster, <i>Massachusetts Gerontology Association</i>
2011	Outstanding Student Poster, <i>Eastern Psychological Association</i>
2007	Undergraduate Travel Grant, <i>Boston University</i>

INVITED TALKS

2021, February	Ryerson University Social Psychology Seminar, Toronto, Ontario, CA
2021, February	Brandeis University Psychology Brown Bag, Waltham, MA
2021, January	UNCG GROWTH Brown Bag, Greensboro, NC
2020, November	Rutgers University-Camden Psychology Seminar, Camden, NJ
2020, October	Cleveland State University Psychology Seminar, Cleveland, OH
2020, September	University of Virginia Social Psychology Brown Bag, Charlottesville, VA
2019, February	Duke University Social Psychology Brown Bag, Durham, NC
2018, September	Wake Forest University Psychology Seminar, Winston-Salem, NC

CONFERENCE TALKS

(*MENTORED UNDERGRADUATE STUDENT; **MENTORED GRADUATE STUDENT)

1. **Newlon, A., Hughes, C., **Cassidy, B. S.** (2021, November). *The face of racism: Mental representations of racism broadly reflect negative traits*. Harvard Women in Psychology Trends in Psychology summit, online.
2. **Ojeda, J. & **Cassidy, B. S.** (2021, October). *Group membership affects valence categorizations of unambiguous facial emotions*. Society of Southeastern Social Psychologists conference, online.
3. **Newlon, A., Hughes, C., **Cassidy, B. S.** (2021, October). *The face of racism: Mental representations of racism broadly reflect negative traits*. Society of Southeastern Social Psychologists conference, online.
4. **Liebenow, H. A. & **Cassidy, B. S.** (2021, October). *You should smile more: Gendered trait inferences produce expectations of facial masculinity*. Society of Southeastern Social Psychologists conference, online.
One of the top four evaluated abstracts of the conference; participated in invited keynote session.
5. Seaman, K. L., **Christensen, A. P., *Senn, K. D., Cooper, J. A., **Cassidy, B. S.** (2020, November). *Social associative learning and trust formation across adulthood*. Gerontological Society of America conference, online.
6. **Ojeda, J. & **Cassidy, B. S.** (2020, October). *Mental representations of illnesses affect adaptive health behaviors*. Society of Southeastern Social Psychologists conference, online.

7. Seaman, K. L., **Christensen, A. P., *Senn, K. D., Cooper, J. A., **Cassidy, B. S.** (2020, April). *Social associative learning and trust formation across adulthood*. Cognitive Aging Conference, Atlanta, GA. Conference cancelled.
8. **Cassidy, B. S.** (2020, March). *Characterizing older adults' positivity during person perception*. Scientific Research Network in Decision Neuroscience and Aging conference, Honolulu, HI.
9. **Cassidy, B. S.** & Allard, E. S. (2019, October). *Do you see what I see? Mood affects the mental representation of faces*. Society of Southeastern Social Psychologists conference, Johnson City, TN.
10. **Cassidy, B. S.** (2019, May). *A memory advantage for untrustworthy faces may extend to information associated with faces*. Association for Psychological Science conference, Washington, DC.
11. **Cassidy, B. S.** (2018, October). *Believing is seeing: Arbitrary stigma labels affect the visual representation of faces*. Society of Southeastern Social Psychologists conference, Raleigh, NC.
12. **Cassidy, B. S.** (2016, January). *Will I trust you? Investigating dynamic impression formation*. University of Massachusetts Boston Psychology Department Seminar, Boston, MA.
13. Krendl, A. C. & **Cassidy, B. S.** (2018, October). *Believing is seeing: Arbitrary stigma labels affect the visual representation of faces*. Society for Experimental Social Psychology conference, Seattle, WA.
14. Krendl, A. C., **Cassidy, B. S.**, Freeman, J. B. (2018, March). *Looking the part (to me): Effects of racial prototypicality on race perception vary by prejudice*. Society for Personality and Social Psychology conference, Atlanta, GA.
15. **Cassidy, B. S.**, Krendl, A. C., Stanko, K. A., Rydell, R. J., Hugenberg, K., Young, S. G. (2017, January). *Configural face processing impacts race disparities in humanization and trust*. Social Cognition Preconference, Society for Personality and Social Psychology conference, San Antonio, TX.
16. Krendl, A. C. & **Cassidy, B. S.** (2016, April). *Stigma on the mind: Neural response to mental health stigma predicts attitudes toward treatment*. Social and Affective Neuroscience Society conference, New York, NY.
17. **Cassidy, B. S.** & Krendl, A. C. (2016, January). *First impressions: implicit racial bias influences outgroup trust in the early stages of perception*. Society for Personality and Social Psychology conference, San Diego, CA.
18. Krendl, A. C. & **Cassidy, B. S.** (2015, May). *An examination of the effects of aging and age-related cognitive decline on the neural representation of race*. Association for Psychological Science convention, New York, NY.
19. Gutchess, A. H., *Park, J., **Cassidy, B. S.** (2015, May). *Memory for trait information with age*. Association for Psychological Science convention, New York, NY.
20. **Cassidy, B. S.** & Gutchess, A. H. (2014, February). *Congruity of valenced appearance-behavior cues impacts medial prefrontal activity*. Social Brain Sciences Symposium, Boston College, Chestnut Hill, MA.
21. **Cassidy, B. S.**, (2012, November). *Valence-based age differences in medial prefrontal activity during impression formation*. Social Brain Sciences Symposium, Harvard University, Cambridge, MA.

22. Gutchess, A. H. & **Cassidy, B. S.** (2012, July). *Effect of aging on the neural correlates of social evaluation*. International Congress of Psychology conference, Cape Town, South Africa.
23. **Cassidy, B. S.** (2012, April). *Aging and social evaluation: Neural and behavioral evidence for age-related preservation and change*. Harvard University Social Neuroscience Workshop, Cambridge, MA.
24. **Cassidy, B. S.** & Gutchess, A. H. (2011, November). *Age-related changes to the neural correlates of social evaluation*. Society for Neuroscience meeting, Washington, DC.
25. Gutchess, A. H., Gilron, R., **Cassidy, B. S.** (2010, May). *Memory for first impressions*. Association for Psychological Science convention, Boston, MA.
26. Yue, X., Holt, D. J., **Cassidy, B. S.**, Young, J. C., Tootell, R. B. H. (2008, November). *Face size selectivity in FFA reflects the cortical magnification factor*. Society for Neuroscience meeting, Washington, DC.

POSTER PRESENTATIONS

(*MENTORED UNDERGRADUATE STUDENT; **MENTORED GRADUATE STUDENT)

1. Vasquez, D., Kemp, P. L., **Cassidy, B. S.**, Wiley, R. W., Wahlheim, C. N. (2022, March). *Pattern separation as a mechanism of the other race effect*. Southeastern Psychological Association conference, Hilton Head, SC.
2. *Malloy, C. S. & **Cassidy, B. S.** (2022, March). *Group membership affects the relation between facial trustworthiness and likability*. Southeastern Psychological Association conference, Hilton Head, SC.
3. *Clark, G. C. & **Cassidy, B. S.** (2022, March). *Effects of group membership and facial untrustworthiness on recognition memory*. Southeastern Psychological Association conference, Hilton Head, SC.
4. *Malloy, C. S., Hughes, C., **Cassidy, B. S.** (2022, February). *A stronger positive relation between facial trustworthiness and likability evaluations emerges for ingroup than outgroup faces*. Society for Personality and Social Psychology conference, San Francisco, CA.
First author received an SPSP Diversity Undergraduate Travel/Registration Award.
5. **Ojeda, J. & **Cassidy, B. S.** (2022, February). *Group membership affects valence categorizations of unambiguous facial emotions*. Society for Personality and Social Psychology conference, San Francisco, CA.
6. **Liebenow, H. A., Boucher, K. L., **Cassidy, B. S.**, (2022, February). *Gendered trait inferences and political ideology interact in evaluations of Kamala Harris*. Society for Personality and Social Psychology conference, San Francisco, CA.
7. *Malloy, C. S., Hughes, C., **Cassidy, B. S.** (2021, November). *A stronger positive relation between facial trustworthiness and likability evaluations emerges for ingroup than outgroup faces*. Harvard Women in Psychology Trends in Psychology summit, online.
8. **Liebenow, H. A., Boucher, K. L., **Cassidy, B. S.**, (2021, November). *You should smile more: Gendered trait inferences produce expectations of facial masculinity*. Harvard Women in Psychology Trends in Psychology summit, online.
9. **Ojeda, J. & **Cassidy, B. S.** (2021, February). *Mental representations of illnesses affect adaptive health behaviors*. Society for Personality and Social Psychology conference, online.

10. Moore, I. L., Fields, E. C., *Crawford, J. L., Paige, L. E., Gutchess, A., **Cassidy, B. S.** (2020, March). *Attentional prioritization of negative appearance-behavior cues in impression formation*. Cognitive Neuroscience Society conference, Boston, MA.
11. Hughes, C., **Cassidy, B. S.**, Faskowitz, J., Avena-Koenigsberger, A., Sporns, O., Krendl, A. C., (2020, February). *Age differences in specific neural connections underlie theory of mind*. Society for Personality and Social Psychology conference, New Orleans, LA.
12. *McGlamery, A. J. & **Cassidy, B. S.** (2019, November). *Understanding trust in healthy aging*. SoCon Undergraduate Research Forum, Spartansburg, SC.
13. **Cassidy, B. S.**, Hughes, C., Krendl, A. C. (2019, May). *Medial prefrontal activity during face perception affects older adults' social cognition*. Social and Affective Neuroscience Society conference, Miami, FL.
14. **Cassidy, B. S.** & Krendl, A. C. (2019, February). *Arbitrary stigma labels affect the visual representation of faces*. Society for Personality and Social Psychology conference, Portland, OR.
15. Hughes, C., **Cassidy, B. S.**, Faskowitz, J., Avena-Koenigsberger, A., Sporns, O., Krendl, A. C. (2018, May). *Modularity of intrinsic functional brain networks predicts age-related changes in social cognition*. Social and Affective Neuroscience Society conference, Brooklyn, NY.
16. *Brown, R., Hughes, C., **Cassidy, B. S.**, Krendl, A. C. (2018, April). *How do age and declines in executive ability affect the neural responses to race perception?: An fMRI investigation*. Midwestern Psychological Association conference, Chicago, IL.
17. Stanko, K. A., Krendl, A. C., **Cassidy, B. S.**, Rydell, R. J. (2018, March). *Configural processing leads to differentiation and control for White but not Black faces*. Society for Personality and Social Psychology conference, Atlanta, GA.
18. *Miljkovic, S. S., **Cassidy, B. S.**, *Hsu, K. Y., Krendl, A. C. (2017, April). *Motivation to control prejudice reduces race disparity in eye gaze*. Midwestern Psychological Association conference, Chicago, IL.
19. *Sprout, G. T., **Cassidy, B. S.**, Krendl, A. C. (2017, April). *Race-related category competition during perception varies by perceiver prejudice*. Midwestern Psychological Association conference, Chicago, IL.
20. *Lanie, S. T., **Cassidy, B. S.**, Krendl, A. C. (2017, April). *Age-related trust biases may emerge early in social perception*. Midwestern Psychological Association conference, Chicago, IL.
21. **Cassidy, B. S.**, *Sprout, G. T., Freeman, J. B., Krendl, A. C. (2017, March). *Looking the part (to me): Effects of racial prototypicality on race perception vary by prejudice*. Social and Affective Neuroscience Society conference, Los Angeles, CA.
22. **Cassidy, B. S.**, Krendl, A. C., Stanko, K. A., Rydell, R. J., Hugenberg, K., Young, S. G. (2017, January). *Configural face processing impacts race disparities in humanization and trust*. Society for Personality and Social Psychology conference, San Antonio, TX.
23. **Cassidy, B. S.** & Krendl, A. C. (2016, April). *Dynamic neural mechanisms underlie race disparities in social cognition*. Social and Affective Neuroscience Society conference, New York, NY.

24. Orlovsky, I. **Cassidy, B. S.**, Gutchess, A. H. (2015, November). *The effects of aging on associative memory for socially meaningful information*. Gerontological Society of America conference, Orlando, FL.
25. **Cassidy, B. S.** & Krendl, A. C. (2015, April). *Age differences in neural response to race exist within the prejudice network*. Social and Affective Neuroscience Society conference, Boston, MA.
26. Leshikar, E. D., **Cassidy, B. S.**, Gutchess, A. H. (2015, April). *Thinking about similar others: Regions supporting evaluation and memory for others varying in similarity to the self*. Social and Affective Neuroscience Society conference, Boston, MA.
27. *Crawford, J. L., Paige, L. E., **Cassidy, B. S.**, Gutchess, A. H. (2015, April). *Facing the facts: Assessing the role of face-behavior incongruities in social cognition through the modulation of the N400*. Social and Affective Neuroscience Society conference, Boston, MA.
28. Paige, L. E., **Cassidy, B. S.**, Gutchess, A. H. (2015, April). *Age differences in hippocampal activation during false recognition of objects*. Cognitive Neuroscience Society conference, San Francisco, CA.
29. **Cassidy, B. S.** & Gutchess, A. H. (2014, March). *Congruity of valenced appearance-behavior cues impacts medial prefrontal activity*. Cognitive Neuroscience Society conference, Boston, MA.
30. **Cassidy, B. S.** & Gutchess, A. H. (2014, February). *Appearance-behavior congruity impacts social judgments and memory across age*. Society for Personality and Social Psychology conference, Austin, TX.
31. **Cassidy, B. S.**, Leshikar, E. D., Gutchess, A. H. (2013, May). *Valence modulates dorsomedial prefrontal cortex engagement during impression formation in healthy aging*. Mechanisms of Motivation, Cognition, and Aging Interactions conference, Washington, DC.
32. **Cassidy, B. S.**, Zebrowitz, L. A., Gutchess, A. H. (2013, January). *Appearance-based stereotypes distort source memory*. Society for Personality and Social Psychology conference, New Orleans, LA.
33. **Cassidy, B. S.**, Leshikar, E. D., Gutchess, A. H. (2012, November). *Valence modulates dorsomedial prefrontal cortex engagement during impression formation in healthy aging*. Society for Neuroscience meeting, New Orleans, LA.
34. **Cassidy, B. S.**, *Aizenman, A., Gutchess, A. H. (2012, April). *Amygdala and ventromedial prefrontal cortex structural variation predict memory for impressions in older adults*. Social and Affective Neuroscience Society conference, New York, NY.
35. Holt, D. J., Coombs, G., **Cassidy, B. S.**, Yue, X., Rauch, S. L., Nasr, S., Tootell, R. B. H. (2011, December). *A frontoparietal cortical network in humans that is preferentially responsive to faces*. American College of Neuropsychopharmacology meeting, Waikoloa, HI.

40. **Cassidy, B. S.**, Yue, X., Young, J. C., Tootell, R. B. H., Holt, D. J. (2009, June). *A bias towards 'looming' faces in a frontoparietal network and its potential role in social behavior*. The Neuroscience of Emotion: From Reaction to Regulation meeting, Tufts University, Medford, MA.
41. Holt, D. J., **Cassidy, B. S.**, Lee, S. M., Gabrieli, J. D., Goff, D. C., Moran, J. M. (2009, March). *Elevated activity within the posterior cingulate cortex in schizophrenia during self-reflection*. International Congress of Schizophrenia Research meeting, San Diego, CA.
42. **Cassidy, B. S.**, Yue, X., Young, J. C., Huang, S., Lynn, S. K., Tootell, R. B. H., Holt, D. J. (2008, November). *Monitoring personal space: regions with a 'looming' bias in the human brain*. Society for Neuroscience meeting, Washington, DC.
43. Holt, D. J., Milad, M., Lebron-Milad, K., **Cassidy, B. S.**, Goff, D. C. (2008, December). *Amygdala volume predicts acquisition of conditioned fear responses in schizophrenia*. American College of Neuropsychopharmacology meeting, Scottsdale, AZ.
44. Holt, D. J., Lebron-Milad, K., Milad, M. R., Rauch, S. L., Pitman, R. K., Orr, S. P., **Cassidy, B. S.**, Walsh, J. P., Goff, D. C. (2008, November). *Extinction memory is impaired in schizophrenia*. Society for Neuroscience meeting, Washington, DC.
45. Holt, D. J., Lebron-Milad, K., Milad, M. R., Rauch, S. L., Pitman, R. K., **Cassidy, B. S.**, Walsh, J. P., Goff, D. C. (2007, December). *Reduced fear extinction recall in schizophrenia*. American College of Neuropsychopharmacology meeting, Boca Raton, FL.
46. **Cassidy, B. S.**, Sheremata, S., Somers, D. C. (2007, May). *Spatially specific training effects in multiple spotlight attention*. Vision Sciences Society meeting, Sarasota, FL.

TEACHING

Instructor of Record (UNC Greensboro, unless noted)

Independent Research in Psychology (7 sections)	Fa18, Sp19, Fa19, Sp20, Fa20, Sp21, Fa21
Directed Readings in Psychology	Sp20, Fa20
Interpersonal Behavior and Group Processes	Sp21, Fa21
Social Neuroscience (graduate seminar)	Sp19
Social Psychology (9 sections)	Fa18, Sp19, Fa19, Sp20, Fa20, Sp21, Fa21
Laboratory in Social Psychology	Su17 (Indiana University)
Introduction to Psychology	Su13 (Brandeis University)

Teaching Assistant (Brandeis University)

Introduction to Psychology	Fa10, Sp11
Research Methods	Fa11, Sp12
Statistics	Fa12
Social Psychology	Sp10, Sp13
Social Cognition	Fa12

MENTORSHIP

PhD students:

Hayley Liebenow (2020-present)

Trever Ojeda (2019-present)

Masters students:

Alyssa Newlon (2021-present)

Neuroscience masters rotation students:

Tammy Hsieh (Brandeis University, 2013-2014), Trent Judis (Brandeis University, 2012-2013)

Undergraduate honors theses:

Grace Clark (UNCG URCA recipient, 2021-2022; 2021-present): *Interactions between group and facial cues on face memory*

Caraline Malloy (McNair Scholar; Honors student; 2021-present): *Examining group membership effects on first impressions of faces*

Shelby Lanie (Indiana University, 2016-2017): *Effects of aging and executive function on mental representations of faces in Muslim and minimal groups*

Jung Park (Brandeis University, 2013-2014): *False recognition of trait inferences increases with age*

Lauren Grewal (Brandeis University, 2012-2013): *The effect of culture on biased memory for impressions*

Liat Zabudovsky (Brandeis University, 2012-2013): *Source memory and appearance-based bias in older adults*

Undergraduate independent projects:

Shima Mohamed (UNCG URCA recipient, 2021-2022): *Facial masculinity and backlash against women*

Reginald Glenn (UNCG URCA recipient, 2020-2021): *Face perception and mental state understanding*

Alexander McGlamery (UNCG URCA recipient, 2019-2020): *Understanding trust in healthy aging*

Kristie Hsu (Indiana University, 2015-2016): *Individual differences in visual attention to faces*

Gregory Sprout (Indiana University, 2015-2016): *Racial prototypicality and social perception*

Undergraduate research assistants:

UNC Greensboro (21 students): Shelley Barker, Jenna Berry, Kyra Bilenki, Grace Clark, Shelby DeGroat, Brendan Diaz, Adam Elsaidi, Reginald Glenn, David Harp, Zoe Lambeth, Cecilia Macias, Caraline Malloy, Shima Mohamed, Garrett Noid, Nathan Norman, Allison O'Brien, Kennedy Pass, Journey Purvis, Katherine Senn, Menerva Wahba, Mery Youssef

Indiana University (19 students): Bryan Bennett, Luis Dominguez, Beverly Falodun, Lindsey Fisher, Jessica Fox, Lindsey Gardiner, Katherine Haggerty, Sarah Kalishman, Rayne Kim, Caitlin Lane, Shelby Lanie, Jaelyn Lisnek, Lauren Liu, Stephanie Miljkovic, Niji Shah, Gregory Sprout, Andrew Stark, Josh Vollmer, Cierra Williams

Brandeis University (9 students): Avi Aizenman, Kyra Borenstein, Jennifer Crawford, Tali Friedland, Todd Kirkland, Rebekah Lafontant, Alina Liu, Michael Margolis, Naomi Weinblatt

High school intern:

Victoria Jonas (Brandeis University, 2011)

PROFESSIONAL MEMBERSHIPS

American Psychological Association

- Div. 20 (Adult Development and Aging)
